VEGAS PA'S ARE HERE TO ASSIST

- Small Business Owners
- Event Planners
- Production Companies/Crew
- Students & Teachers

MISSION STATEMENT

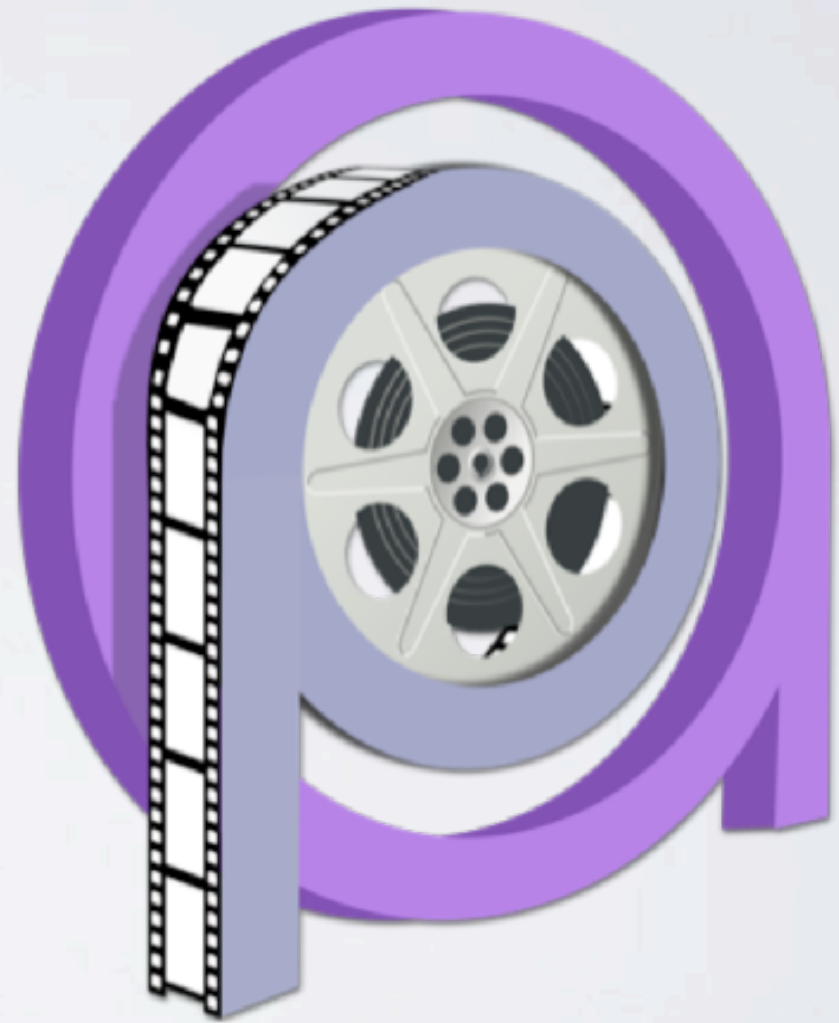

Vegas PAs will contribute in all manner of the Television, Film, Commercial and Theatre industry by offering the highest quality of teaching, leadership and the greatest level of expertise to produce qualified and skilled Production Assistants and further their careers with the established relationships with professionals of the industry in the Las Vegas area. The company will unite the Production Assistants with companies in the industry to acquire projects with our booking system.

GOAL

Vegas PAs is essentially a three part business venture, all to interlink with each other to better facilitate the Production Assistants' working abilities in Las Vegas. As the film industry rises in the Las Vegas and sub-city areas, local and out-of-state productions and businesses are in need of PAs to assist with the daily needs of their projects.
